01

Share your project

Send the facts, links, images and goals. You do not need to write the finished article.

02

Agree the scope

Confirm the format, dates, materials, final price and any applicable taxes.

03

Review and publish

Check factual details. Paid placements carry a clear Sponsored or Advertisement label.

04

Review the results

Discuss recorded views and link activations. Agree the next placement separately.

Independent judgement stays independent. Advertising never buys chart positions, reader votes, Editor's Picks or Top 5 eligibility.
